This Response is in reply to the Office Action mailed April 29, 2004 in the subject application. Applicant notes with appreciation the Examiner's indication of allowable subject matter in claims 19,21, 22, 37, and 43-49. Applicant appreciates the Examiner's review of the present application and wish to thank the Examiner for his patience in this, my first patent. Each of the Examiner's rejections and objections has been addressed. Accordingly, it is respectfully submitted that the application is in condition for allowance. Should the Examiner have any questions, comments or suggestions in furtherance of the prosecution of this application, the applicant would welcome a telephone call to the telephone number indicated below.

Respectfully submitted,

By: *Gordon W. Dyer, O.D.*
